DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on November 1, 2007 has been entered.

Drawings

2. The drawings were received on November 1, 2007. These drawings are accepted.

Allowable Subject Matter

3. Claims 193-208 and 210 are allowed.

The following is an examiner's statement of reasons for allowance:

a) Terminal disclaimers filed June 18, 2007 and June 27, 2007 to overcome the double patenting rejection.

b) The allowability of the claims resides, at least in part, that the closest prior art of record **Schoppers (US 5,392,382)** does not disclose or suggest, alone or in combination the step of:

As for independent claim 193, **a set of motion commands, where the set of motion commands comprises primitive motion commands and non-primitive motion commands, wherein functionality of the non-primitive motion commands can be emulated by a combination of primitive motion commands, and functionality of the primitive motion commands cannot be emulated by a combination of primitive motion commands; a set of motion operations, where at least one motion operation is associated with at least one motion command; a reprogrammable motion controller capable of executing at least one motion command; a set of selectable software modules, where at least one software module is associated with at least one motion controller, and at least two selectable software modules expose a common software interface, in combination with the other elements and features of the claimed invention.**

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

4. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
